ADDITIONAL BOARD OF GOVERNORS
(Outside of Officers Listed Above)

David Dinse 706-820-0711

Jac Cooper 423-280-8361

BOG meetings are typically held on the 3rd Monday, 12:30-1:30 pm at Café 58 (Calvary Chapel on Broad St.)

***IN PERSON* MEETING NOTICE**

Date: Wednesday, March 02, 2022

Time: 11:30 a.m. Lunch served & Chapter Announcements

Place: [Mountain City Club](#), 729 Chestnut St., Chattanooga

Cost: \$20 if you're not on the meal plan

\$10 for ASHRAE student members (must be a member)

Now accepting credit cards via smart phone app or online via PayPal

Menu: Vegetarian or low carb meals must be requested early

Reservations: RSVP no later than 4:00pm Tuesday 3/01 via an Email to [Tricia King](#), tking@cornerstone-automation.com or call 423-619-8001

***Scott, our scheduled February speaker was unable to present so he will be presenting for our March meeting**

This month's chapter program will give us the opportunity to learn more about the dos and don'ts with common HVAC Equipment.

This month Scott McKenzie will return with a review of some common HVAC components that are often misapplied and end up not functioning "as designed" (as hoped!). Often the cause is lack of knowledge about the product or simply the result of old habits. Some of the items to be reviewed will include: partial flow in cooling towers, long-line refrigerant flow, small air handler moisture problems, excessive equipment pressure drops and expansion tank mistakes. Scott is never afraid to air-out the laundry and share lessons learned. Mr. McKenzie will share some insights in system performance and equipment selection and enjoys teaching from and explaining previous "opportunities for improvement".

As senior engineer with March Adams and Associates, Scott has been practicing at engineering for over 40 years and has experience in designing, installing and troubleshooting a wide variety of processes and system support utilities. He has a special expertise in large scale chilled water systems and has designed several systems in excess of 3000 tons.

Professional Development Certificates (1 hour) will be provided after the webinar. The webinar should conclude by 1 pm

- **Reminder: Our chapters is having a Meet & Greet Cocktail party host by the Tennessee Valley Chapter on March 2, 2022. The chapter is hosting Mick Schwedler, current ASHRAE Society President for cocktails at the Walden Club from 5:30-7:00 Wednesday evening.**

Membership Notes

- The Golf Tournament has been scheduled for May 19th. Please start getting your teams together!
- We are always looking for more great ideas of programs and speakers. Please feel free to suggest any topics you would like to learn about

2021-22 Chapter Programs

Good programs are what make the Chapter meetings a success. Last year your participation (attendance) was great. It is directly attributable to the quality of programs. Input is continually needed from everyone (both members and non-members) for topics (and potential presenters) that are of interest. Efforts will be made to address all needs (residential, commercial, nuclear, renewable, etc.), so do not be ashamed to ask.

Contact [Kay Thrasher](#) or any current Board member with suggestions.

2021-22 Meeting Dates	Topic
09/08/2021	Manual or Automatic Balance of Hydronic Systems
10/06/2021	Improving Building IAQ
11/03/2021	ACR Joining Methods
12/01/2021	Humidity Control in Commercial Buildings
01/05/2022	Water Treatment
02/02/2022	
03/02/2022	What you CAN'T do with HVAC Equipment
04/06/2022	
05/04/2022	
05/19/2022	Golf Tournament Fundraiser
