

POWER PLAY

PRESENTED BY Raytheon Technologies

The Ohm Raiders (11468, Chattanooga, TN) and Webb Robotics (9934, Knoxville, TN) would like to invite you to the

FTC Robotics Power Play Kick-Off Event

on

Saturday September 10th, from 10:00 am – 3:00 pm (EST)

at the

Center for Engineering, Technology, Arts & Sciences and WACKER Institute (CETAS) Chattanooga State Community College
4501 Amnicola Hwy, Chattanooga, TN 37406
Chattanooga, TN 37405

Prior to the video release, there will be **workshops** benefitting both Rookie and Veteran teams. The **new game will be set up** so teams can have access to the **Power Play** game elements. **Lunch** will be provided prior to the Kick-Off release and there will be opportunities to take home **some fun (and useful!) giveaways**.

Questions and/or RSVP with number of attendees by September 5th (Monday), please contact Jackson Rogers at rogersja@baylorschool.org or Coach Mary Loveless at mloveless@baylorschool.org.
